HOUSING

Please include male and female chaperones according to your group in order to provide adult chaperones in each dorm suite.

Although most Pepperdine students will be away from the dorms during Thanksgiving weekend, their rooms still contain their personal belongings. Therefore, groups will sleep in the main living area of each dorm suite, so each person will need to bring a sleeping bag and pillow. Boys will be in a suite with a male chaperone from their group and girls will be in a separate suite with a female chaperone from their group.

If you have any questions, you may contact Church Relations by phone at (310) 506-4270 or by email at church.relations@pepperdine.edu.
