

**PEPPERDINE UNIVERSITY
DEPARTMENT OF PUBLIC SAFETY
VEHICLE STORAGE FORM**

If you would like to leave your personal vehicle on campus during break, you will need to complete this form and return it to the Public Safety Office. The office will then assign you to a specific parking area. Vehicles parked in lots other than those designated, or vehicles that have not been registered with Public Safety, will be towed and stored off campus at the owner's expense.

Due to unexpected maintenance emergencies, unscheduled and/or unpredicted circumstances the University reserves the right to relocate your vehicle at no cost to you in exchange for authorization to store your vehicle on campus during the aforementioned period.

Furthermore, since our Malibu Campus experiences high coastal winds there is an occurrence of car covers that have been blown off. Due to the frequency of this problem, Pepperdine University does not take responsibility to re-secure your car cover. Lost car covers may be stored at The Department of Public Safety.

REMEMBER TO LOCK YOUR VEHICLE, AND DO NOT LEAVE ANY VALUABLES INSIDE!
