

OFFICE SPACES

WHY RECYCLE?

Pepperdine is committed to sustainability and creating a greener, more eco-friendly campus. Recycling diverts reusable materials from the landfill saving resources, raw materials, land, and energy.

HOW DOES IT WORK?

Place recyclable materials in the repurposed bin at your desk and dispose of trash and liquids in your common area. Offices without a common area can request a small trash attachment for their repurposed recycling bin.

WHAT GOES IN THE RECYCLING BIN?

Paper

Clean paper including printer paper, bagged shredded paper, books, catalogs, and envelopes

Glass

Glass bottles and jars of all colors, shapes, and sizes

Plastic

Plastic bottles and containers, takeout containers, plastic grocery bags, and soap bottles

Metal

Metal or aluminum food and beverage containers and clean foil

Cardboard

Clean cardboard including flattened boxes, tissue boxes, file folders, unlined milk containers

ITEMS NOT ACCEPTED

Food and Beverage Waste

Chip Bags, Sandwich Baggies, and Candy Wrappers

Styrofoam, Used Food Containers, and Utensils

Napkins, Tissues, and Paper Towels
