

**PEPPERDINE UNIVERSITY
CAMPUS CONDOMINIUMS
HOUSING REQUEST FORM**

Name _____

Pepperdine University at Malibu is a residential institution of higher learning committed to academic excellence and Christian values. The mission of the University is enhanced when a significant number of its faculty and staff are able to live in proximity to our residential programs. To this end, the University attempts to make housing available to certain faculty and staff who support the University mission. We have two groups of housing, known as Campus View (located on Baxter Drive) and Campus View II (located on the Drescher Campus).

In keeping with the University's mission, the primary purpose of the on-campus housing is to provide an opportunity for faculty and staff to more effectively lend their personal support to the ideals and objectives of the University, and occupants are expected to conduct themselves accordingly. It is expected that residents will be hospitable to University visitors and entertain students in their homes with regularity. Faculty and staff should consider these goals and expectations in deciding whether or not to apply for campus housing.

It is important that you review the "Principles and Procedures Governing Allocation of University Housing" prior to completing the following request form.

PART ONE – Eligibility

To be considered for University housing, you must first establish your eligibility.
Check all that apply.

Category "A" employees shall have priority over all Category "B" employees. Within limitations provided in the recorded Covenants, Conditions and Restrictions (CC&R's) for the project and the Ground Lease for a particular unit, the University may change the eligibility criteria and priorities. For example, the University may in its sole discretion designate other eligible persons whose ownership or occupancy would further the purposes of the housing project. Such changes may not, however, adversely affect the eligibility or rights of existing owners. The CC&R's and Ground Leases provide for continued eligibility of retired faculty and staff and surviving spouses under certain conditions.

PART TWO – Application

I hereby apply to purchase a campus condominium. I acknowledge that I have read the foregoing and represent that I qualify for on-campus housing in accordance with the eligibility criteria stated above. I acknowledge the University's stated purposes for this housing project and am committed to upholding such purposes. **I FURTHER AGREE TO INFORM THE PROVOST'S OFFICE IN WRITING IMMEDIATELY UPON ANY CHANGE OF CIRCUMSTANCES WHICH WOULD RENDER ME INELIGIBLE IN ACCORDANCE WITH THE ABOVE POLICIES AND CRITERIA.**
