If your check and form are received by August 16, 2004, your key card will be mailed to you at your address.

If you miss the mail deadline, you may pick up your key card on the first day of attendance at the parking booth before or after class. Key cards will be activated within a 24-hour period after the parking company receives payment.

To avoid a delay we recommend that you DO NOT WAIT. Mail your information by the deadline. If you paid for a key card and do not have it by the first day of class, first check at the cashier's booth. If your key card is not there, pull a ticket to enter the garage. Return the ticket to the cashier's booth and leave your name with the cashier. You will not be charged for that day's entry. If you do not receive a key card within five (5) days after the start of the semester, call Ampco System Parking to verify receipt of your payment. Thank you.
