## PEPPERDINE UNIVERSITY PRESIDENT ANDREW K. BENTON TO CONCLUDE PRESIDENCY IN 2019

On March 14, 2018, Pepperdine University's president, Andrew K. Benton, announced his intent to conclude his presidency at the end of the 2018–2019 academic year. In a prepared statement to the University community, Benton said he and his wife have decided it is a good time for a change and that he has asked the Board of Regents to begin the process for selecting a new president.

"This is a significant change that, while difficult, we believe comes at just the right time - for Pepperdine, for our students, and for us," said Benton. "As president, I have always tried to make the hardest institutional decisions from a position of strength, and because of the talent and passion of our people throughout the last several decades, I can confidently say that Pepperdine has never been stronger academically, spiritually, and financially."

As he anticipates his final year of service as president, Benton plans to stay focused on the strategic priorities he believes will add value to the student experience and Pepperdine's reputation among elite universities. These initiatives include the completion of the new Seaside Residence Hall and School of Law renovation, plans for a revitalized Washington, DC program and facility, and securing funds for a new student recreation and events center. ## LORENZO ROMAR TO RETURN AS PEPPERDINE MEN'S BASKETBALL COACH

On March 12, 2018, director of athletics, Steve Potts, announced that Lorenzo Romar will soon return to Pepperdine University and begin his second stint as head coach of the men's basketball program. Romar, 59, previously coached the Waves for three seasons between 1996–97 and 1998–99. He is currently in his first season as the associate head coach at the University of Arizona, following 15 years as the head coach at the University of Washington. He

will return to Pepperdine full-time at the conclusion of Arizona's season. After a rebuilding season in his first season in charge of the Waves, Romar led Pepperdine to 17 and 19 wins over his next two seasons, including a spot in the NIT in 1999. He left after that year to become the head coach at Saint Louis University, but players that he recruited to Pepperdine would go on to make the NCAA Tournament in 2000 and 2002.

"Pepperdine was my first head coaching job, and I remember us not doing well our first year," Romar said. "When we took over there had been a couple of losing seasons before that, and in our first year we also had a losing season. Then in our second year, I think we were the second-most improved team in the country. To see the kids on that team experience a little more success was something that was really exciting."
