## PEPPERDINE ALUMNI AND STAFF TO COMPETE IN 2016 SUMMER OLYMPIC GAMES

A group of talented Pepperdine alumni athletes and staff members have been selected to participate in a variety of sports and roles throughout the 2016 Summer Olympics in Rio de Janeiro, Brazil, scheduled to take place from August 5 to 21.

### KIM HILL ('12)

#### USA WOMEN'S VOLLEYBALL

In 2013 volleyball player Kim Hill officially joined Team USA to represent her home country in the upcoming Summer Olympics. The following year Team USA dominated at the 2014 FIVB (Fédération Internationale de Volleyball) World Championship. Hill scored the team high of 20 points in the Gold Medal match against China, Team USA won the Gold Medal, and she was named Most Valuable Player.

### JESSE SMITH ('05)

#### USA MEN'S WATER POLO

Born in Hawaii and raised on the peninsula of Coronado, California, the water is a second home to Jesse Smith, who will compete on the U.S. men's water polo team this summer after winning Silver in 2008 and scoring three goals in 2012.

Alumni Miranda Ayim ('10), Roxanne Barker ('13), and Fred Winters ('04) will be joined in Rio by several accomplished Pepperdine volleyball coaches: head coach Marv Dunphy ('74), assistant coach David Hunt, beach volleyball assistant coach Marcio Sicoli, and volunteer assistant coach Kayla Banwarth, who has also been selected to represent the United States in women's volleyball. Alumni Jack Kocur ('97) and Alex Rodriguez ('98) will participate as assistant coaches for the USA men's water polo team, and men's volleyball alumni Kevin Barnett ('97) and Dain Blanton ('94) will be present as analysts for NBC.

### MERRILL MOSES ('99)

#### USA MEN'S WATER POLO

"I remember in 2008 when the torch was lit, it was like a fire was lit inside of me and I knew it was go time," remembers goalkeeper Merrill Moses of his first Olympic presence on the 2008 U.S. water polo team. Moses also participated in the 2012 Summer Olympics in London, England, where the U.S. water polo team ranked eighth place.

## CONSTRUCTION UPDATE

### New Residence Hall - Summer Infrastructure Work

We are now two months into our summer utility construction work, and the project is progressing well. Contractors remain on track to complete the infrastructure work planned for the summer by August 19. Advance underground utility location work throughout the project areas is complete. The construction of new water lines behind Residence Halls 22 (Morgan) and 23 (Dewey) is about 95 percent complete. Electrical work in this area is well underway and we anticipate it will be complete by the first week of August. Related work will also start on John Tyler Drive, as highlighted, which will require periods of traffic control. While this work is underway, one lane will be accessible at all times, and traffic will be flag controlled to allow vehicles to pass in each direction.

Each night, trench plates will be installed, and both traffic lanes will be open for use.

For detailed updates on construction please visit [pepperdine.edu/constructionupdates](http://pepperdine.edu/constructionupdates).

### JOIN US FOR OUR TARGET CONTEST AND TEAM TENNIS MIXER!
