THE PAYSON LIBRARY PRESENTS: *ILLUMINATING SCRIPTURE*

Currently through Saturday, August 15, 2015

Illuminating Scripture provides a glimpse into the craft and context of the Saint John's Bible. Tools and materials on display help us appreciate the technical aspects of artistry, while completed images and text treatments invite us to contemplate the divine by framing familiar words with contemporary visuals. A modern work that draws on medieval practices, the Saint John's Bible departs from older modes of presentation to illuminate the enduring significance of Scripture. For more information call Jeanette Woodburn at 310.506.6785 or visit library.pepperdine.edu.

CHANGES TO PEPPERDINE POOL SCHEDULE

Attention, Crest Associates, the Pepperdine pool schedule will have some new changes beginning September 1 and continuing through April 2016. In order to support our men's water polo and our women's swim teams, the pool will have weekly **exclusive use** times that will allow these

two NCAA Division I athletic programs and coaches more flexibility with their training and preparation for competition. This means that **the pool will only be open to these teams on certain days and hours and not to any other users.** These times and days are listed on the pool schedule above and on the Crest website. Please take note and adjust your schedules accordingly. This schedule will run throughout the two academic semesters September through April. In addition, we will also be scheduling **more open hours** for the pool during the Christmas Break (not including the official University Holiday week); during spring break and during the spring final examination period. Please contact Heidi Bernard at 310.506.4745 or heidi.bernard@pepperdine.edu if you have any questions on this new schedule. We appreciate your support for our student athletes, teams, and coaches.

"Your mind is the garden, your thoughts are the seeds, the harvest can either be flowers or weeds." – William Wordsworth, Poet Laureate of Great Britain 1843-1850
