DECEMBER NEWS FROM THE CREST

A MESSAGE FROM THE EXECUTIVE DIRECTOR

As we head into the holiday season, I wish to express my appreciation to our Crest Advisory Board, Crest Associates, and University friends for all the generous support that you give our students and Pepperdine University all year long. It is great to stand side by side with you in the community to bring the University and the Malibu community together with our students.

I know this has been a difficult year for many of you with the Woolsey fire as it has been for many of our Pepperdine students, faculty and staff, who have also lost homes and property. The Borderline tragedy struck close to home with our Pepperdine community as we lost student, Alaina Housley, and I am sure many of you knew families that were impacted.

Thank you for the many ways that you help our students and alumni by offering them employment opportunities, internships, and invaluable career and mentorship guidance. Thank you for cheering our students along at our Waves athletic venues, applauding their onstage theatre and musical performances, enjoying their artwork in the museum, and encouraging them personally as they give their time and resources to serve others through volunteer efforts. Blessings to you this Christmas and holiday season and a Happy New Year in 2019!
