PEPPERDINE VOLLEYBALL COACHING LEGEND MARV DUNPHY ANNOUNCES RETIREMENT

Pepperdine University volleyball coaching legend Marv Dunphy ('74) announced his retirement today, bringing to an end an incredible career that included four NCAA championships and more than 600 wins at Pepperdine, as well as seven Olympic appearances as a coach, highlighted by a Gold Medal in 1988 as head coach of the US men's team.

"I've decided that it's time," Dunphy said. "It's just time, and there's not a lot more to it than that. I'm very grateful to Pepperdine for all that it's given me. I can't imagine any other institution being as supportive of a coach as Pepperdine has been to me. I'm really grateful to the leadership of this University: Andy Benton, Bob Thomas, Wayne Wright, John Watson and Steve Potts. They let me go away to get a doctorate and come back and to coach a couple of Olympic teams and come back. "The hardest thing is leaving the players. I want to thank our current and former players for giving me the privilege of being their coach, and for all that they brought to this program."

Dunphy will remain at Pepperdine during the 2017-2018 school year in order to continue teaching his popular coaching class and to assist with special projects for the department and men's volleyball program. For more information on Marv Dunphy please visit newsroom.pepperdine.edu.

SCE POWER OUTAGE SCHEDULED FOR SATURDAY, JULY 8

Southern California Edison (SCE) has scheduled a Malibu campus-wide power outage for Saturday, July 8, between 8 AM and 8 PM. SCE will be modernizing and enhancing portions of their 45-year-old electrical infrastructure systems to ensure future campus needs are met. These improvements will also help avoid unscheduled power outages in the future.

All of the buildings highlighted in blue on the map to the left will be without power during this time frame. Parking lots and electric vehicle charging stations adjacent to these buildings will also be affected.

We will be providing periodic updates on our progress, as well as additional information regarding specific impacts throughout the course of the project. We appreciate your patience and understanding. We welcome your questions and look forward to ongoing collaboration with the community as campus construction activity ramps up this summer.

For more information please visit community.pepperdine.edu/constructionupdates.

SUMMER FITNESS AT PEPPERDINE!
