## ON LOCATION IN MALIBU 2018: PAINTINGS BY THE CALIFORNIA ART CLUB

### CURRENTLY - JULY 29, 2018

This exhibition, the seventh in a triennial series, consists of paintings by artist members of California Art Club, inspired by the beauty and scenic diversity of Malibu. Founded in 1909, the California Art Club is one of the oldest and most respected artist associations in the state. This year's incarnation features almost 70 paintings by over 40 artists. The participants include some of the best realist artists working today. Encouraged to use their creative imagination, some chose to paint overlooked places of exquisite beauty. Others looked at familiar landmarks such as Malibu Canyon, Malibu Pier, or Point Dume, but recorded them in novel ways. Art in this exhibition is available for purchase. A portion of the proceeds will benefit the California Art Club and the Frederick R. Weisman Museum of Art.

This exhibit is free and open to the public Tuesday - Sunday, 11 AM to 5 PM. Please call 310.506.4851 or visit [arts.pepperdine.edu](https://arts.pepperdine.edu) for more information.
