

Thank you for all you already do to make the Graziadio School of Business and Management great!

From positively affecting the lives of our students to keeping operations running smoothly, we appreciate you! Did you know that there's one other thing you can do to help our school? As a GSBM staff/faculty member, you have the power to help with an annual gift of any size. Your gift has a snowball effect that helps garner more support from foundations and corporations who like to see that we believe in our cause.

The easiest way to give? Fill out the payroll deduction form below, place it in an intercampus envelope to Mail Code 4579, and then you're in place as a GSBM donor!

**Thanks for joining this mission to make a great place to work even greater
by inspiring the outside community with our generosity!**
