

ASLC RUBRIC: Academic Program Review

Name:

Date:

Program:

Meaning of the Degree: Mission, Goals Outcomes

	check box	<p>Instructions: As you are reading the program review please check off categories where the expectations are met. Please identify at least three or four commendations and the same number or fewer recommendations. A commendation is work done particularly well. A recommendation is an area that needs immediate attention and should be addressed in the MOU. If the dimension was met very well, please consider writing a commendation. You can check off both meets expectations and a commendation or recommendation.</p>
Mission/value statements		
Meets expectation (Leave blank if not met)		Mission/value statements are clearly expressed
Commendation		
Recommendation		
Program Learning Outcomes (PLOs)

Commendation		
Recommendation		
PLOs align with Institutional Learning Outcomes (ILOs)		
Meets expectation (Leave blank if not met)		PLOs align with Institutional Learning Outcomes (ILOs). As demonstrated in mapping and through curriculum
Commendation		
Recommendation		

Quality of the Program

Curriculum Changes		
Meets expectation (Leave blank if not met)		Curriculum changes since the last program review are included with clear rationale
Commendation		
Recommendation		
Program depth and breadth		
Meets expectation (Leave blank if not met)		Program depth and breadth of learning are concretely described
Commendation		
Recommendation		
Alignment of the sequence of experiences		
Meets expectation (Leave blank if not met)		Please explain the aligned sequence of learning opportunities, classes, internships reflected in your program's curriculum
Commendation		
Recommendation (Leave blank if not met)		
Description of instructional approaches		
Meets expectation (Leave blank if not met)		Description of instructional approaches is detailed and includes rationale with supporting data
Commendation		
Recommendation		
Co-curricular Experience		
Meets expectation (Leave blank if not met)		Co-curricular experiences are well integrated into the curriculum
Commendation		
Recommendation		

Faculty overview		
Meets expectation (Leave blank if not met)		Faculty overview is complete, including ratio of full-time to adjunct faculty
Commendation		
Recommendation		

Viability of the Program

Demand for the program		
Meets expectation (Leave blank if not met)		Demand for the program is well-argued and includes relevant data (i.e., enrollment rates, graduation rates, etc.)
Commendation		
Recommendation		
Trends		
Meets expectation (Leave blank if not met)		Program provides compelling emerging trends
Commendation		
Recommendation		
Allocation of Resources		
Meets expectation (Leave blank if not met)		Program has completed the "Allocation of Resources" section. Any "no" answers have accompanying explanations and suggestions
Commendation		
Recommendation		

Integrity of the Program

Findings		
Meets expectation (Leave blank if not met)		Findings of the Summary Student Achievement Report are clearly articulated and logical
Commendation		
Recommendation		
WSCUC Core Competences		
Meets expectation (Leave blank if not met)		Program effectively meets WSCUC Core Competences (supported by evidence)
Commendation		
Recommendation		
Use of Indirect data		
Meets expectation (Leave blank if not met)		Program integrates surveys with meaningful data addressing student learning
Commendation		
Recommendation		
Measures of student success		
Meets expectation (Leave blank if not met)		Program provides other measures of student success (e.g., bar passage, licensing, etc.)
Commendation		
Recommendation		
Satisfaction Surveys		
Meets expectation (Leave blank if not met)		Program provides relevant student satisfaction surveys
Commendation		
Recommendation		

Summary and Reflection

Summary: Strengths		
Meets expectation (Leave blank if not met)		Program clearly outlines strengths (Student Learning?)
Commendation		
Recommendation		

Plans for the Future

Summary: Growth		
Meets expectation (Leave blank if not met)		Program defines areas of growth with concrete actions delineated
Commendation		
Recommendation
