CELEBRATING OUR SCHOLARS: STUDENT UPDATES

AWCE Conference May 30-June 1

This year Pepperdine Legacy Partners hosted the Associated Women in Christian Education Conference (AWCE) in Malibu. This year's theme was "Destinations: A Travel Experience to Expand Our Thinking and Our World." In her final act as vice president for events, Mary Alice Reed led conference goers on a tour of Pepperdine's beloved International Program locations. Activities and meals were themed around, Shanghai, Buenos Aires, London, Florence, and Heidelberg.

The annual AWCE conference represents an opportunity for fellowship and collaboration for PLP members with members of similar organizations from other Christian colleges and universities. Attendees traveled from across the nation with representatives from Freed-Hardeman University, Lubbock Christian University, Abilene Christian University, Faulkner University, and Harding University. The conference was blessed with presentations from president Andy Benton and first lady of Pepperdine Debby Benton, vice president for public affairs and church relations Rick Gibson, and the Boone Center for the Family's Relationship IQ director Kelly Haer.

If you are interested in representing Pepperdine Legacy Partners at a future AWCE conference please email plp@pepperdine.edu

Membership Level Update

This spring the PLP board voted to restructure the membership levels in an effort to simplify and encourage membership retention. One hundred percent of each membership renewal goes toward our scholarship fund positively impacting a student's life by allowing him or her to receive a Christian education at Pepperdine.

**New membership structure:
\$100-annual membership
\$25-annual membership (student)**

The above figures are the minimum donations for maintaining an annual membership. By increasing our annual dues we can now offer installation payment options for those paying by credit card. All dues and donations can be made online by visiting our website: [pepperdine.edu/plp](https://www.pepperdine.edu/plp).

As Pepperdine Legacy Partners continues to support students with \$5,000 in annual scholarships, we seek to bless more students and increase our membership by welcoming new friends to join the PLP family as well by retaining our current members. Members and friends of PLP are always welcome to make additional donations throughout the year.

If you would like membership information to share please contact Tami Williamson: plp@pepperdine.edu

Thank you for your continued support!
