## § 1.00.00 Introduction

- § 1.01.00 The parking and traffic regulations are in place to provide a safe, efficient, and organized environment for drivers and pedestrians to share the road and parking resources throughout campus. Each registrant is responsible for knowing and adhering to these regulations and procedures. Failure to comply with these regulations is a serious concern and will be reviewed by the appropriate University official and may impact a person's eligibility to park or drive a vehicle on campus. Please contact the Department of Public Safety (DPS) if you have questions.
- § 1.02.00 The California Vehicle Code (CVC) Section 21113a empowers the Pepperdine University Regents to establish specific parking and traffic regulations on University property. The California Vehicle Code is enforced on all campus roadways as well as the policies contained in the Parking and Traffic Regulations available on the Public Safety website <http://www.pepperdine.edu/publicsafety>. Registrants are solely responsible for familiarizing themselves with all policies. Pepperdine University Parking and Traffic Regulations are adopted by the Board of Regents and are available for review in the Department of Public Safety and online.
- § 1.03.00 These regulations may be enforced by the Department of Public Safety, the California Highway Patrol, the Los Angeles County Sheriff's Department, or other law enforcement agencies.
- § 1.04.00 All motorized vehicles on campus, including motorcycles, scooters, electric carts, and mopeds must be properly registered with Pepperdine University and the Department of Motor Vehicles (DMV) as applicable. Compliance with the registration process includes: the proper display of a campus parking permit, possession of a valid driver's license, proof of auto insurance, and current DMV registration tags on the vehicle.
- § 1.05.00 Registrants are responsible for any applicable citation fines incurred on campus.
- § 1.06.00 Pepperdine University reserves the right to revoke an individual's campus parking and driving privileges.
- § 1.07.00 The University shall assume no liability or responsibility for theft, damage, or loss that may occur during the use of parking facilities or services. Individuals choosing to park at Pepperdine University do so at their own risk.

## § 2.00.00 General Information

- § 2.01.00 Under certain circumstances, vehicles on campus may be accessed and the contents inventoried. These circumstances include but are not limited to: vehicle impound or relocation; retrieval of University property; vehicles containing a lost, stolen, fraudulent, or altered permit; using another person's permit; or vehicle is involved in suspicious or criminal activity.
- § 2.02.00 The following vehicles, including bicycles, mopeds, scooters and motorcycles, may only be operated on roadways and in parking lots. Driving or parking is specifically prohibited on pedestrian paths, sidewalks, landscaped areas, fire lanes, construction areas, and in any other area that would constitute a safety hazard or interfere with the use of or access to University facilities (University service or emergency vehicles are exempt from this requirement).
- § 2.03.00 No person may store, abandon, wreck, dismantle, repair, service or render any vehicle inoperable on University property (work performed on University vehicles by University personnel is exempt). These vehicles will be impounded off campus at the owner's expense.
- § 2.04.00 Pedestrians will be given the right of way at all times on campus.
- § 2.05.00 Permission to enter, drive, park, or remain on campus may be revoked by the University at any time.
- § 2.06.00 The director or designee of Public Safety is responsible for the enforcement of all University parking and traffic regulations, and may temporarily amend or suspend any regulation when conditions so warrant.
- § 2.07.00 Vehicles/bicycles operated by members of the Department of Public Safety, while in performance of their duties, are campus emergency vehicles, as defined by the California Vehicle Code, and are exempt from the provisions of these regulations.
- § 2.08.00 University parking and traffic regulations are enforceable through verbal or written notification, citation, immobilization, relocation and/or impounding at owner's expense.
- § 2.09.00 All traffic and parking signs are enforced on campus.
- § 2.09.01 Removal, relocation, and/or tampering with any barrier, fence, delineation, A-frame, post, cone, sign or other item placed for traffic or parking control is prohibited and may result in citation or other disciplinary action. This especially applies to the John Tyler Dr. closure each night from 10:30pm to 6:30am.

- § 2.10.00 Riding skateboards, roller-skates, inline skates, and razor scooters (or similar recreational devices) are prohibited on campus and may result in a citation, confiscation of the equipment, and/or disciplinary action.
- § 2.11.00 Undeveloped areas on the Malibu Campus are subject to use restrictions and Open Space Management, pursuant to EIR Mitigation Monitoring Report Conditions 5.3-7 and 5.3-17 and CUP 97-191-3 condition 17. Any and all use of the undeveloped areas must be in compliance with the above conditions and have specific approval from the appropriate University official. Violators will be considered trespassers, and will be prosecuted in accordance with applicable Penal Code statutes.
- § 2.12.00 The director of Public Safety or designee will determine the type, number and color of assigned permit, and will also determine who qualifies for each type of permit issued.
- § 3.00.00 **Vehicle Registration Information**
- § 3.01.00 All vehicles on campus, including motorcycles, scooters, and mopeds must be properly registered with Pepperdine University and the Department of Motor Vehicles (DMV), as applicable. Compliance with the registration process includes: the proper display of a campus parking permit, possession of a valid driver's license, proof of auto insurance, and current DMV registration tags on the vehicle.
- § 3.02.00 University registration may be completed at <https://pepperdine.thepermitstore.com/> or by coming to the Public Safety office during regular business hours. Registration requires an email address, vehicle information, and a mailing address. Currently, there is no charge for on campus vehicle registration.
- § 3.03.00 All vehicles that are not properly registered with Pepperdine, or that fail to properly display a valid permit are subject to citation, immobilization, relocation, impound at owner's expense, disciplinary action and/or ineligibility to park and drive a vehicle on campus. This includes any individual driving a new or temporary vehicle, other than the one registered with the University such as a rental car or borrowed car. The proper temporary pass must be obtained and properly displayed.
- § 3.04.00 Failure to register a vehicle following receipt of a verbal reminder, warning or citation may result in disciplinary action or ineligibility to park and drive a vehicle on campus.
- § 3.05.00 Fraudulent activity, including but not limited to, registering for the wrong permit, private transfer of any permit to another party, any

Updated: September, 2017

attempt to modify or counterfeit any permit or pass, or failure to display the permit following receipt is subject to loss of campus driving and parking privileges as well as serious disciplinary action by the appropriate individual(s).

- § 3.06.00 All vehicle permits expire on the date printed on the permit. Please review each permit for relevant expiration information.
- § 3.07.00 A permit will be issued to each registered vehicle and may only be used for the vehicle to which it is issued.
- § 3.08.00 Permits must be properly affixed to the lower left-hand corner of the front windshield of all cars, trucks, SUVs etc. Other vehicles, but place the permit in a location visible to a public safety officer. Adhering the permit to any other location on the vehicle will result in a citation.
- § 3.09.00 When ownership is transferred to another party within the campus community, the campus vehicle registration must be updated to reflect the new owner. Citations will be the responsibility of the original owner.
- § 3.10.00 Permits may be revoked by the University at any time, and must be surrendered upon demand of a University official.

## § 4.00.00 General Parking and Traffic Regulations

- § 4.01.00 Possession of a parking permit does not guarantee the availability of a parking space at any given time. The permit holder is responsible for locating an authorized and legal parking space.
- § 4.02.00 A legal parking space is one available and designated for the type of permitted vehicle being parked in the location.
- § 4.03.00 General employee, student, and visitor parking is permitted in established and marked parking areas only.
- § 4.04.00 Parking is prohibited in the following areas: pedestrian walkways, sidewalks, landscaped areas, construction areas, red zones, driveways, Residential Community Road, fire lanes, Alumni Park, campus walk (except where signs are posted), CCB Loading Dock (except two designated posted spaces), TAC Loading Dock, SOL Loading Dock, end of aisles, non-marked spaces, gates, any other area that would create a safety hazard or interfere with the access to or use of any campus facility.
- § 4.05.00 Vehicle parking must be in full accordance with the signs posted and/or these written regulations. The ability to access a parking area does not imply authorization to park in the location, this includes but is not limited to use of tokens, ID cards, remotes, or an open gate.—*this contradicts what is legal space.*

- § 4.06.00 An individual is considered a student, regardless of the number of classes the individual is taking or what vehicle is being driven. A student (undergraduate or graduate) may not park in any designated visitor-, faculty- or staff-only space during days and times the area is reserved for others. For example, a student driving a car permitted to a faculty member must obtain the proper student pass and park appropriately in a student area. Students may not park in areas designated for the faculty member. This rule applies at all times and for all types of scenarios: spouses, students, dependants, visitors, etc.
- § 4.07.00 Special parking areas designated throughout campus are described below:
  - § 4.07.01 Blue Zones: These spaces are reserved for vehicles with a properly displayed DMV issued disabled placard on the rearview mirror or have a disabled license plate.
  - § 4.07.02 Yellow Zones: These spaces are reserved for University service vehicles or designated vehicles of specific University departments such as, Facilities Management and Planning or Mail Services.
  - § 4.07.03 White Zones: These spaces are reserved for loading/unloading passengers or freight, not to exceed five minutes.
  - § 4.07.04 Green Zones: These spaces are reserved for special parking as designated by appropriate signs. (i.e. visitor, carpool or time metered parking).
  - § 4.07.05 Electric Vehicle Charging Stations (i.e. EV Charging Stations): These time metered spaces are reserved exclusively for electric vehicles for a maximum of four consecutive hours, after which the vehicle owner is responsible for relocating the vehicle to an appropriate parking space.
- § 4.08.00 Vehicles parked in lots may only occupy one space, and must be parked within marked spaces.
- § 4.09.00 Vehicles must park heading into a marked space (do not back into the space).
- § 4.10.00 Oversized vehicles, including but not limited to RVs, campers, trailers, or buses are not permitted on campus without prior permission or authorization from a DPS administrator or designee.
- § 4.11.00 No person may live, camp, sleep or otherwise stay in any vehicle, trailer, camper or RV, nor shall anyone store any such vehicle on campus without prior approval by the director of Public Safety, or designee.
- § 4.12.00 Students continuing their enrollment may store vehicles on campus during the summer months. A vehicle storage form must be completed
