

Auditing Class Rosters via WaveNet

All class rosters can now be reviewed online, via WaveNet. To view your class roster(s) on the web, please follow the following steps:

1. Click on or visit <https://wavenet.pepperdine.edu>
2. Enter your **Network user ID** and **password** (e.g. user name: edjones, password: xxxxxx).
3. Click on **Faculty Services located in the Academic Tools pagelet or in the upper right corner of the page.**
4. You are now connected to SIS.
5. Click on **Class List**.
6. From the drop-down box, select the course that you wish to review. Click **Submit**.
7. Check that every student on your class roster is actually attending.
8. Confirm the accuracy of your class roster(s) **and** submit any discrepancies by sending an email to Eva Reid (eva.reid@pepperdine.edu), Grade Services Supervisor at the Office of Student Information & Services, by **January 22nd** .

Please use the email link located above the class roster. Using only your Pepperdine email account, please provide the following information:

If your class roster is correct, indicate **course name** and **section number**, and type "OK." For example,

PE 199.01 - OK

If your class roster is incorrect, indicate **course name**, **section number**, **full name of student**, and whether the student is **listed but not attending** or **attending but not listed**. For example,

REL 102.01

John Anderson - listed but not attending

Sally Jones - attending but not listed
