Guest Access Wavenet Account Creation

Welcome to WaveNet, Pepperdine's online community. Your guest account has been successfully created.

We have sent an e-mail to doug@campingwithwarrenanddoug.com with your username, password, and a link to WaveNet. Please click on the button below to automatically log in to WaveNet. In the future, you will be able to access WaveNet using the information we have sent to your email address. Once you are in WaveNet, please click on "Guest Access Center" in the Pepperdine Menu to access student information.

Continue

On subsequent visits you can log in to WaveNet using the credentials that were emailed to you after completing the registration process above. From any Pepperdine website, click on the WaveNet button at the top of the screen and log in. You should then see something like this.

The screenshot shows the Pepperdine University website dashboard. At the top, there is a navigation bar with the university logo, a search bar, and user links like 'Home' and 'My Links'. Below the navigation bar, there is a welcome message: 'Welcome Obama, Barack Your CWID is 100254359'. The main content area is divided into three columns. The left column contains a 'Pepperdine Menu' with links for 'Guest Access Center', 'Calendars', 'Campus Resources', 'Help', and 'My Portal Services'. An orange arrow points from the 'Guest Access Center' link to the text below. The middle column is titled 'University News' and features a featured article about Darwin's 150th birthday, followed by sections for 'Technology News' and 'Headlines'. The right column is titled 'Athletics' and lists 'WAVEPOINTS' for various sports, including swimming and tennis. At the bottom of the page, there is a footer with contact information and a copyright notice for Pepperdine University 2005.

Click on the Guest Access Center link in the menu on the left and you will see the information that your student has given you access to view.
