### Guest Access Wavenet Account Creation

Welcome to WaveNet, Pepperdine's online community. Your guest account has been successfully created.

We have sent an e-mail to [doug@campingwithwarrenanddoug.com](mailto:doug@campingwithwarrenanddoug.com) with your username, password, and a link to WaveNet. Please click on the button below to automatically log in to WaveNet. In the future, you will be able to access WaveNet using the information we have sent to your email address. Once you are in WaveNet, please click on "Guest Access Center" in the Pepperdine Menu to access student information.

Continue

On subsequent visits you can log in to WaveNet using the credentials that were emailed to you after completing the registration process above. From any Pepperdine website, click on the WaveNet button at the top of the screen and log in. You should then see something like this.

The screenshot shows the Pepperdine University website dashboard. At the top, there is a navigation bar with the university logo, a search bar, and user links. Below the navigation bar, the dashboard is divided into several sections:

- Pepperdine Menu:** A vertical list of links including "Guest Access Center", "Calendars", "Campus Resources", "Help", and "My Portal Services". An orange arrow points to the "Guest Access Center" link.
- University News:** A section with a featured article titled "Pepperdine Conference Explores Why Darwin Still Matters" and a sub-section for "Technology News" with several links.
- Athletics:** A section titled "Athletics" featuring "WAVEPOINTS" articles and "Headlines" with links to recent news.

At the bottom of the page, there is a footer with contact information: "4255 Pacific Coast Highway • Malibu, CA 90263 • (310) 506-4000 Copyright © Pepperdine University 2005".

Click on the Guest Access Center link in the menu on the left and you will see the information that your student has given you access to view.
