Helpful Hints:

- 128 units are required to graduate. 40 of these units must be upper-division.
- You may participate in Spring commencement exercises if you have 12 units or less remaining at the time of the ceremony. These units must be completed during the following summer term.
- Consult your Degree Audit Report (DAR) as you formulate your degree plan. Your DAR is available in the Student Services area of WaveNet.

Note: This form is intended to be a helpful planning resource. It is your responsibility to meet with your major advisor or with an advisor in the Academic Advising Center on a regular basis during your academic career.
