

**Leadership Breakfast  
Seaver College Student Leaders  
January 8, 2004**

**Prayer of Commission:**

Our father in heaven –Ruler over all the earth, Lord of our lives, our strength and our refuge, our teacher and our guide into all things good and holy:

We present to you this day these students as your servants and as leaders on our campus. We ask you to bless them and honor them as they bless and honor you with their lives and with their service. Equip them with wisdom that comes from above, patience in serving, strength and energy for their tasks, humility in their leading, sensitivity to the needs of others, and the courage to take responsibility. Bless their work to the end that your name might be glorified through them in this place.

We thank you for the dedication of these students, we honor them for their service to our community, and we send them forth today as leaders who find their joy in serving others.

In the name of Jesus, who taught us to serve and love one another, Amen
