

REQUESTING ALTERNATE TEXTS

Due to the increased availability of electronic versions of texts, the Office of Student Accessibility will only provide alternative texts for books that do NOT have an electronic version available for rental or purchase. We recommend that students consult these resources before contacting the office:

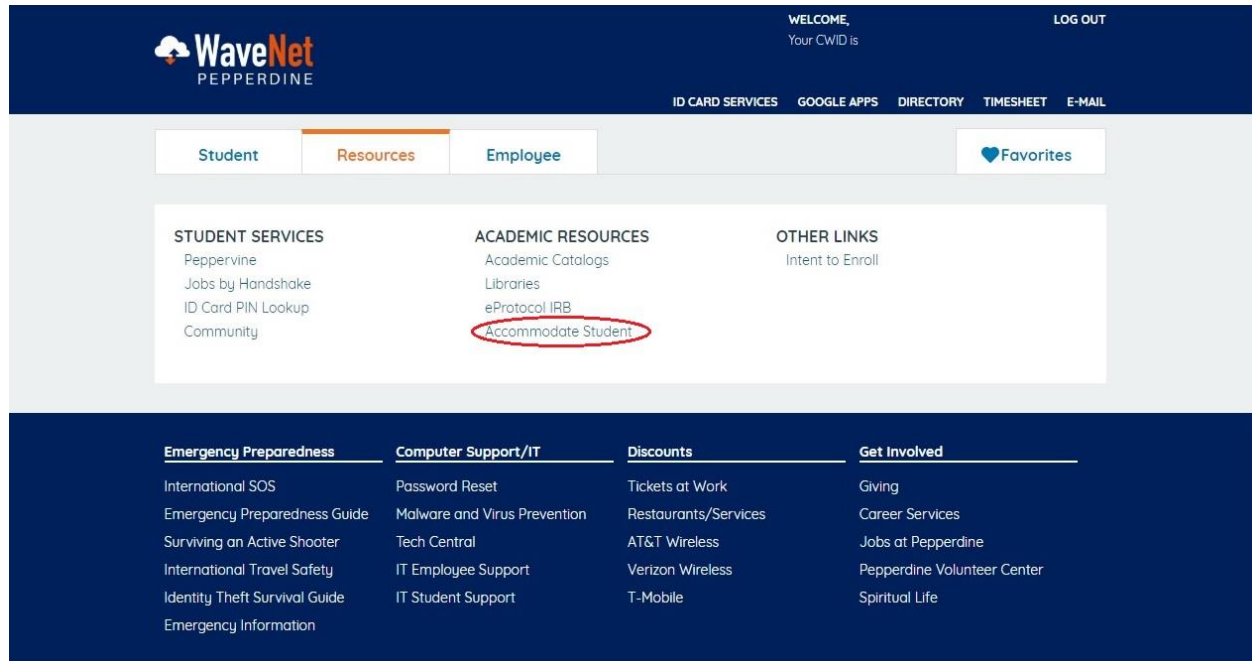

1. [Amazon](#) and individual publishers to find electronic versions of their textbooks
2. [Bookshare.Org](#) (OSA can create a Bookshare account for students)
3. [Kindle](#) and [Natural Reader](#), available for free download, provide reading of PDFs, Word docs, and webpages.

If you are not able to find your textbook in an electronic format, please complete the Alternative Format Request based on the instructions below.

Please note that digital texts may take up to 4 weeks to receive from publisher upon receipt of proof of purchase, and text information. Please begin the process as early as possible.

[How to request Alternative texts:](#)

Login to your [Wavenet](#) account and click on [Accommodate Student](#).

The screenshot shows the Pepperdine Wavenet portal. At the top, there is a dark blue header with the Pepperdine logo on the left, and 'WELCOME, Your CWID is' and 'LOG OUT' on the right. Below the header is a navigation bar with links for 'ID CARD SERVICES', 'GOOGLE APPS', 'DIRECTORY', 'TIMESHEET', and 'E-MAIL'. The main content area has three tabs: 'Student', 'Resources' (which is selected and highlighted in orange), and 'Employee'. To the right of these tabs is a 'Favorites' button with a heart icon. Below the tabs, there are three columns of links. The first column is 'STUDENT SERVICES' with links for 'Peppervine', 'Jobs by Handshake', 'ID Card PIN Lookup', and 'Community'. The second column is 'ACADEMIC RESOURCES' with links for 'Academic Catalogs', 'Libraries', 'eProtocol IRB', and 'Accommodate Student' (which is circled in red). The third column is 'OTHER LINKS' with a link for 'Intent to Enroll'. At the bottom of the page, there is a dark blue footer with four columns of links: 'Emergency Preparedness' (International SOS, Emergency Preparedness Guide, Surviving an Active Shooter, International Travel Safety, Identity Theft Survival Guide, Emergency Information), 'Computer Support/IT' (Password Reset, Malware and Virus Prevention, Tech Central, IT Employee Support, IT Student Support), 'Discounts' (Tickets at Work, Restaurants/Services, AT&T Wireless, Verizon Wireless, T-Mobile), and 'Get Involved' (Giving, Career Services, Jobs at Pepperdine, Pepperdine Volunteer Center, Spiritual Life).

On the new page that opens click on [Accommodation](#) and then [Alternative Format](#) tab.
