Emotional Support Animal Agreement for On-Campus Student Housing

The owner of an emotional support animal must:

- be registered with the Disability Services Office.
- comply with any and all county, state, or federal licensing requirements, as appropriate for the animal, with copy of licenses submitted to DSO.
- follow their veterinarian's care recommendations and vaccinations for the animal, with copy of health record submitted to DSO.

- have written, voluntary consent from all room/suite/apartment-mates confirming agreement to the presence of the animal in the student's room, with a copy of the consent submitted to HRL.
- be financially responsible for any bodily injury or property damage caused by the animal, in addition to the cost of extra cleaning due to the animal.
- control the animal by keeping the animal leashed when outside or supervised by the owner within the shared dwelling space at all other times.
- cleanup and appropriately dispose of the animal's waste.
- keep the animal in the student housing community at all times, understanding that the animal is not allowed in the classrooms, cafeteria, or other campus areas.

Failure to adhere to this agreement is considered a violation of our residential student policy and could result in a judicial hearing.
